

**FISCAL MEMORANDUM  
SB 1476 – HB 1532**

April 23, 2007

**SUMMARY OF AMENDMENT (004459):** Deletes all language of the original bill and requires the Department of Health to designate up to 10 adult day care centers or senior centers within the state as model programs worthy of emulation. Awards state grants to the selected model programs.

**FISCAL IMPACT OF ORIGINAL BILL:**

Increase State Expenditures – Not Significant

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:**

**Increase State Expenditures – Exceeds \$50,000**

Assumptions applied to amendment:

- The Department of Health will incur an increase in state expenditures to review nominations, evaluate community acceptance and support, determine model programs and administrate the grant program. Such is estimated to increase state expenditures by an amount which exceeds \$40,000.
- There will be at least 10 facilities designated as model programs. If the state should award a \$1,000 grant to each model program, such will result in an increase in state expenditures of \$10,000.
- The amount of grants will be dependent on the number of facilities that are designated as model programs and the amount in which the Department is appropriated to fund the grants.
